

PRIVACY POLICY

This statement is made in accordance with art. 13 of Regulation 2016/679 (GDPR), pursuant to art. 13 of D. LGs. No 196/2003 (code for the protection of personal data) to users who access the website www.workshapes.com and is related to all personal data processed in accordance with the following modalities.

The owner of the treatment

The owner of the processing of personal data collected is Grafocad S.r.l. data collected

The personal data processed shall be collected as provided directly by the person concerned or supplied automatically. The data provided directly by the person concerned are all personal data provided to the owner of the treatment in any way, directly from the person concerned. In particular, the following personal data are collected and processed:

-Name, surname, address e-mails data collected automatically is the data of navigation. This data, although not collected in order to be associated with the user's identity, could indirectly, by means of elaboration and associations with data collected by the holder, permit its identification. In particular: · IP Address · Browser and navigation device

Following the sending of newsletters, the platform used allows to detect the opening of a message and the clicks made within the newsletter, together with details about the IP and the browser/device used. The collection of these data is fundamental to the operation of the implicit renewal systems of the treatment and integral part of the operation of the sending platform.

Legal basis and finality of the treatment

The data are processed exclusively for the purposes for which they are collected, as described below. We use the data provided by interested parties to:

- Customer Profiling
- Only in case of specific consent of the user, in order to allow the accession to specific and further services such as the sending of future informational and promotional communication by mail or by electronic means.

The conferral of the data listed in the "Collected Data" section for the purposes set out in the above points is required to allow the user to access the service. For this reason the consent is obligatory and the eventual refusal to the treatment or the failure, inaccurate or partial conferral of the data could have as consequence the impossibility of a correct delivery of the service. The conferral of the data for the purposes of sending newsletter for promotional, informative or research purposes is optional and the refusal to give consent to the treatment will result in the impossibility of being updated about commercial initiatives and/or Promotional campaigns, receive offers or other promotional material and/or send personalized offers to the user. [Enter the holder] does not provide third parties with any of the user's information without their consent, unless required by law. In any case, the dissemination and transfer of data outside the EU area is excluded.

Withdrawal of consent

The person concerned may revoke his consent to receive promotional and commercial communications immediately, by sending a request to the email address [insert email] or by clicking on the Special unsubscribe link that he can find in the footer of each promotional and commercial mail received.

Mode of treatment

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected, in any case foreseeing the annual verification of the data stored in order to delete those deemed obsolete, except that The law does not provide storage obligations. The processing of the data takes place normally at the company's headquarters [insert the holder], by personnel or external collaborators duly designated as responsible for the treatment. The complete list of data controllers and persons responsible for the processing of personal information may be requested by sending a request to the email address [insert email] The registration and the relative treatment are valid until Unsubscribe from the user, present in each email, or after 12 months from the last communication that has evidence of direct interaction (click, open, Answer). Specific security measures are observed to prevent loss of data, illicit or incorrect use, and unauthorized access.

Rights of the person concerned

According to art. 7 of the Code of Privacy and art. 13 GDPR Each user has the right to obtain confirmation of the existence or not of his personal data, even if not yet registered, and their communication in intelligible form. In particular, the person concerned has the right to obtain the indication:

- Of the origin of personal data;
- Of the purpose and methods of treatment;
- Of the logic applied in the case of treatment carried out with the aid of electronic/computer tools;
- The identification details of the owner, the managers and the designated representative;
- of the subjects and categories of persons to whom the data may be disclosed or which may become acquainted with them as a representative designated in the territory of the State, of managers or appointees.

In addition, the person entitled to obtain from Grafocad SRL

- The updating, the rectification or the integration of its own data;
- The deletion, the transformation in anonymous form or the blocking of the data treated in violation of the law;
- Access to its data, i.e. the confirmation that it is or is not in the process of processing personal data concerning it;
- The limitation of treatment,
- The portability of the datum, i.e. the right to receive in structured format the personal data concerning it;
- Right of complaint to the supervisory authority.

Finally, the person concerned has the right to oppose, in whole or in part, for legitimate reasons for the processing of personal data concerning him, even if relevant to the purpose of the collection. In particular, the person concerned has the right to oppose the processing of personal data relating to him for the purposes of sending commercial or direct selling advertising material or for the fulfillment of market research or commercial communication. The requests mentioned in the above points must be sent by email to the address workshapes@workshapes.com

Updates and changes

Grafocad S.r.l. reserves the right to modify, supplement or update this information periodically in accordance with the applicable law or the measures taken by the guarantor for the protection of personal data. These modifications or additions will be brought to the attention of the interested parties through a link to the Privacy policy page on the website and will be communicated directly to interested parties by email. We invite users to view the Privacy policy regularly, to check the updated information and decide whether or not to continue to take advantage of the services offered.
